

**The Social Contract Tradition
Robert Nozick
(1938-2002)**

Individual Liberty

“[T]here is no *social entity* with a good that undergoes some sacrifice for its own good. There are only individual people, different individual people, with their own individual lives. Using one of these people for the benefit of others, uses him and benefits the others. Nothing more.” *Anarchy, State, and Utopia*, 1974, pp. 32-3
